

# PERTON PARISH COUNCIL

Serving the Local Community

NEWSLETTER – October 2022

## WORKING IN OUR COMMUNITY

### Fritillary Bulb Planting

9 Volunteers planted 800 fritillary bulbs in Perton's meadows. These picturesque plants with bell shaped flowers should appear in the early spring, adding a welcome splash of colour to Perton's meadow grasslands.

Perton Parish Council are also working with South Staffordshire District Council to improve the green spaces in our Village.

### PERTON CIVIC CENTRE

Perton Civic Centre has clubs, classes and regular events for all ages. As well as meeting and function rooms to hire for all occasions.

Visit our website or follow us on Facebook for more information.

### Children's Play Area

Work will start week commencing 31<sup>st</sup> October 2022 to replace the safety surface under some of the equipment at a cost of £19,000.

Unfortunately, the safety surface has been the target of continuous vandalism and members of the Parish Council have offered a reward for information relating to the identity of offenders.

### Platinum Jubilee Rose Garden

With special thanks to David Austin Roses, Perton Parish Council will be creating a Platinum Jubilee Rose Garden to honor our late Queen, near to the upper lake. Work is due to commence shortly.

### Allotments

We are in the process of inviting Tenders for works to our new allotment site on Wrottesley Park Road. We are hoping plots will be available for residents Spring 2023.
